Work Experience

Group Sustainability Officer
Econet Wireless – Harare

May 2021 – Present

- **Sustainability Strategy and Reporting:** Leading sustainability reporting, assurance audits, and ensuring conformance to international standards (GRI, SASB, IFRS, UNGC, IWA 48:2024) across Econet Wireless and subsidiaries in fintech, insurtech, edutech, mobility, and renewable energy.
- **ESG Management and Climate Risk:** Tracking ESG KPIs, conducting enterprise and climate risk assessments (ISO 31000), managing GHG emissions (Scope 1, 2, 3) using the GHG Protocol, ISO 14064, and TCFD, and developing mitigation strategies.
- **Stakeholder Engagement and Culture Transformation:** Implementing SDG-aligned sustainability strategies, managing stakeholder engagement (AA1000), facilitating sustainability training for 500+ sustainability champions, and driving organisation-wide risk and culture transformation.
- Managing sustainability audits and external assurance of sustainability reports.
- Sustainability lead for B Impact Assessment (BIA) to determine ESG scores from risks and impacts.
- Project lead for automation and deployment of the CURA Incident Management Module (100%).
- **Risk Advisory:** Conduct comprehensive ESG and climate risk assessments, develop risk mitigation strategies, and provide advisory support to business units.
- Project lead for AI-driven Incident Management automation with the Cassava AI team.
- Microsoft Power BI automation for sustainability and SHE KPIs, delivering >90% effectiveness in stakeholder engagement tracking and monitoring.

Senior Sustainability Consultant (Environment, Health and Safety)
Toxiconsol t/a African Sustainability Consultants – Harare

Sept 2019 – Apr 2021

- **Sustainability Reporting and Climate Disclosure:** Developed sustainability reports aligned with GRI Standards and climate disclosure requirements.

- **SHEQ Management and Training:** Implemented and audited Safety, Health, Environment, and Quality (SHEQ) management systems (ISO 14001, ISO 9001, ISO 45001) and facilitated training across multiple industries.
- **Leadership and Advocacy:** Led sustainable development projects, represented the organisation at local and international workshops, and served as a sub-editor for the *Green Business Gazette*.
- **Environmental Impact Assessments:** Conducted EIAs, Ecological Impact Assessments, and developed Environmental Management Plans (EMPs) to ensure regulatory compliance.
- Implemented Resource Efficient and Cleaner Production technologies and conducted energy audits.
- Performed SHEQ audits across industry, mining, construction, and related sectors.
